RAIL & TOUR

Central Australia encompasses a region that is as diverse as it is vast, with otherworldly rock formations, ancient gorges, endless red-earth vistas and a strong connection to Indigenous culture. Exploring this vast tract of Australian outback is for many, like an awakening. A glimpse is not enough and that's why Journey Beyond and Outback Spirit have crafted itineraries that dive deeper into the heart of this special part of the country.

The Ghan has been traversing through the centre of Australia for more than 90 years, although some things have changed, including the level of service, the comfortable private cabins, and the sumptuous regionally inspired dining. And when the train stops, the adventures begin, with a selection of curated Off Train Experiences to excite and inspire, whether it's exploring Simpsons Gap on foot or cruising through Nitmiluk Gorge in Katherine.

These experiences connect you with the country in a new way. And this is where Outback Spirit comes in, building on that connection with intimate and authentic adventures in remote destinations. Outback Spirit has been showcasing the outback for more than 20 years. A leading and award-winning small-group tour operator, it's grown from modest beginnings with a single 4WD bus to providing the largest range of outback experiences of any tour operator in Australia.

Touring with Outback Spirit means travelling in comfort, in luxury 4WD Mercedes Benz touring coaches, while still having the opportunity to venture off the beaten track. It's all about satiating your spirit of adventure, diving deep into the stories of the land and the places that few get to explore, and returning each evening to comfortable accommodation, eager to do it all again the next day. Combined with passionate and knowledgeable guides, every day is an enlightening experience.

There's no better way to explore the centre of Australia than by travelling on The Ghan, disembarking midway and spending 7 days amidst the wonder before continuing your rail journey. Alternatively, extend your stay in the north, with three days to venture into Kakadu on an all-new small-group tour with Outback Spirit that ties neatly in with the start or end of your Ghan journey.

Whether your rail and tour journey takes you deeper into the Red Centre or further across the Top End, you'll leave with memories of places, people and moments that will last a lifetime.
